

Porter's High Volume Drag Scraper

8FT, 10FT, 12FT & 14FT

Porter's **High Volume Drag Scraper** is great for maintaining corrals, chicken barns & compost yards. The newly designed front cross member allows full vision of the blade. The large capacity allows for efficient handling of large volume material.

This quality-constructed scraper has all the same great features as the Medium Duty Drag Scraper with 6" taller mole board and end plates.
