

Porters Folding Laser Drag Scraper

Save time with the new **Porter's Folding Laser Drag Scraper**. Same great features as the Laser Drag Scraper, but now with an easier and faster option than the transport wheels. This scraper is equipped with a hydraulic swing bucket and a modified tongue, so the scrapers does not have to be detached from the tractor. It takes approximately one minute to be converted from field to transport mode.

Model #	FLDS24
Yard Capacity	16.3
